Dear Ms Cunningham

I am writing to express my keen interest in your vacancy for a Care Assistant which was recently advertised on the dayjob.com website.

My background in this field includes working in the ..... and ..... sectors, both areas that your job advert said a candidate must have experience in. In addition to this I have extensive knowledge of....., and also have considerable understanding of ..... and .....

As someone who is dedicated to providing the highest quality of service at all times, I am always intimately involved in everything that happens to people under my care, and am only truly happy when the quality of a clients life have been markedly improved. The foundation of my success lies in my talent and passion for the healthcare industry. As a highly motivated person I have a hardworking attitude and a willingness to learn from my own and others mistakes. In every company I work for I not only bring new energy, fresh ideas and a different way of thinking, but also help fellow work colleagues to achieve their full potential.

With my present employer I have a well deserved reputation for getting all tasks given to me done on time and within budget. I have a track record of communicating well with customers and would also like to mention the constant attention I always give to vulnerable individuals to help them live their lives to the full. For me it would be a honour to be a part of and contribute to a company like yours which is known for its talented workforce and high standards. I thank you for your time and I look forward to hearing from you in respect of an interview.

Yours sincerely
