PERSONAL SUMMARY

A multi-skilled mechanic with good all-round technical and mechanical expertise. Very capable with an ability to diagnose faults on vehicles using specialist diagnostic equipment and to then successfully repair or replace defective parts. A productive team player, able to work to deadlines and targets, self motivated, organised and able to multi task. Experience of developing apprentices and disseminate knowledge and experience to others.

Now looking for a new and vehicle mechanic position, one which will make best use of my existing skills and experience and also further my development.

WORK EXPERIENCE

MOT Garage – Coventry

MECHANIC June 2008 - Present

Responsible for carrying out warranty repairs to manufacturers guidelines. Including repairs, replacing brakes and suspensions, servicing of vehicles. Also ensuring all work is completed on time & within service schedules.
