PERSONAL SUMMARY

A super sharp and switched on individual who can identify, initiate, and deliver the analysis that can leverage the data and information needed to generate increased business value. Maxine fully understands how critical good reliable business reporting can be to a company. She is very experienced in her field, and comes to you with a strong track record of driving operational improvement. On a personal level she proactively pushes the boundaries of her knowledge and is eager to expand her existing skills base. Right now she is keen to join a company that will help her to increase her knowledge, ability and potential.

WORK EXPERIENCE
