### PERSONAL SUMMARY

A confident, ambitious and fearless Business Intelligence Manager who can deliver independent and insightful answers to business challenges. Maxine has the technical expertise and insight needed to write up reports that are up-to-the-minute and which reflect industry needs. She can use her specialist knowledge to find the information needed to fuel success. On a personal level she has the determination needed to succeed in any challenging environment and furthermore prides herself on being a principled person who has strong ethics. Right now she would like to join a company that encourages new ideas, and where good practice is shared across the company to improve its capability and growth.
