Charge Nurse

AREAS OF EXPERTISE

Patient Safety
Clinical Expertise
Geriatric nursing
Clinical practice
Bed management
Nursing administration

PERSONAL SUMMARY

A caring, compassionate, and dedicated Charge Nurse who has a natural affinity towards looking after patients. Maxine not only has outstanding clinical knowledge, but also possesses extensive experience of working alongside a multi-disciplinary team of Registered Nurses. On a more personal level she is a licensed registered nurse who has the ability to use her initiative and exercise independent judgement. Right now, she is looking for a position with a company that provides a pleasant environment for patients and staff alike.

WORK EXPERIENCE

Company name – Location

CHARGE NURSE Jun 2013 – Present

Responsible for organising and delivering high quality nursing care to patients from their admission right through to discharge.

Duties:

- Assisting the Lead Nurse in the effective operational management of a busy ward.
- Observing and recording a patient's reaction to various medications and treatments.
- Measuring and recording a patient's weight, heights and vital signs on a daily basis.
- Receiving reports from off-going shifts & in return giving reports to oncoming ones.
- Keeping informed about the status of all patients in a ward and under my care.
- Reviewing medical records, admin files & nurse notes to assess a patient's condition.
- Administering drugs, medication and health advice to patients on a daily basis.
- Acting as a responsible and visible leader within the ward to junior staff and nurses.
- Making recommendations to Senior Managers regarding the evaluation, promotion, transfer or discipline of nursing personnel.
