

Civil Engineer

Mary Jane, Dayjob Ltd, 120 Vyse Street, Birmingham B18 6NF
T: 0044 121 638 0026 - E: info@dayjob.com

PERSONAL STATEMENT

A hardworking and technically minded professional who has extensive experience relating to Civil, Municipal and other Engineering work. He possesses proven competency in the supervision of a team of technicians and engineers and a successful track record in working closely in partnership with both clients and contractors. Mary has a proven ability to ensure that any project she works on will run smoothly and be completed on time, to specification and within budget. In the past she has been wholly responsible for the technical delivery of a number of large scale projects from start to finish. Right now she is looking for a suitable position with an employer where progression within the company is based on ability & achievements, rather than on time spent within the business.
