PERSONAL SUMMARY

An intelligent, physically strong and hardworking Construction Worker who can carry out heavy manual construction work for extended periods of time, under adverse weather conditions. Maxine has experience of welding, bricklaying, carpentry, plumbing, painting, roofing, flooring, tiling and scaffold erecting. Through her working life she has gained the knowledge and recognised qualifications needed to carry out a wide variety of construction duties. Right now, she is looking for a suitable position with a building company that only wants to recruit the very best.
