PERSONAL SUMMARY

Maxine is a recently Graduate Nurse who is keen to progress her career with a respected hospital where she will have an opportunity to learn and grow in her chosen field. She is committed to looking after and restoring the health of the people she is tasked with caring for. As an excellent communicator, she is able to quickly gain the trust and confidence of any patients she meets. In addition to this she is a committed team worker she is able to work productively with others towards a common goal. Right now, she is looking for a suitable graduate level position with a leading private or public healthcare organisation.
