

# AMERIK SINGH

## LOGISTICS MANAGER

### Career summary

A born leader who possess a 'can do' attitude, and has excellent forward planning and problem solving skills. Amerik has a track record of driving new initiatives to improve productivity. On a more personal level he loves working with, and energising a team of colleagues to do better. He has a comprehensive understanding of warehouse and distribution procedures which enables him to create practical policies for logistical activities. Right now he is looking for a suitable position with a company that will give him the freedom to exceed customer delivery expectations.
