Client handling
Problem solving
Business improvement
Change management
Management controls
Performance measurement

PERSONAL SUMMARY

A responsible Management Consultant who can support those who are seeking help and advice about their business problems. Maxine has a track record of helping businesses improve their performance and grow by showing them newer and better ways of doing things. She has skills that are much in demand and the ability to provide external advice to organisations that require specialist expertise or an outside perspective on their business operations. Right now, she is looking for a suitable role with a company that already employs high calibre people who work as part of a team.
