PERSONAL SUMMARY

A dynamic individual with excellent nursing and leadership skills who has a track record of delivering clinical excellence in a professional manner through direct Nursing care. Maxine is highly motivated, energetic and has a positive, realistic and supportive attitude towards the needs of her patients and their families. She can effectively lead and supervise a multi-disciplinary team to achieve set targets. Right now she would like to join a hospital that has an environment which is focused on building upon and continually improving care quality, safety and patient experience.

WORK EXPERIENCE

Company name – Location

NURSE MANAGER Jun 2013 – Present

Responsible for ensuring that an excellent standard of resident care is set, delivered and maintained at all times.

Duties:

- Leading a team of nurses on a shift and exercising clinical judgement and decision making about patient needs in terms of their treatment.
- Involved in the teaching of qualified and unqualified nursing staff, including basic and post-basic students.
- Achieving a delicate balance between the demands of direct patient care and existing medical resources.
- Administering intravenous injections, syringe pumps and infusions.
- Participating in staff meetings and contributing to discussions.
- Communicating with patients in a professional manner at all times.
- Meeting the identified physical and psycho-social needs of patients.
- Creating a safe environment for all patients, visitors and staff.
