

Linda White

Nurse

PERSONAL SUMMARY

An exceptionally motivated individual who has the right blend of dedication, competence and compassion needed to make her patients feel valued, cared for and safe. Linda is fully conversant with and always adheres to the strictest interpretation of the Nursing Code of Professional Conduct. Can be relied upon to represent any institution in a professional manner and will always role model the appropriate behaviours, values and competencies needed to lead teams professionally and effectively. Right now she is looking for a hospital that has an environment where excellence is a way of life and where she can enhance her clinical and nursing skills still further.
