PERSONAL SUMMARY

A real team player, who is not only trustworthy and ambitious but also self-motivated and independent. Helen's philosophy is what use are the best facilities if you don't have the best people to properly use them. She is committed to delivering care in accordance with this philosophy and is confident in her ability to be able to make an immediate impact on your operations. As confident, outgoing person she will have no trouble communicating with and guiding all levels of staff within the Care sector. Right now she is keen to join an institute such as yours where there will always be further opportunities for career development.
