PERSONAL SUMMARY

An exceptional man-manager and strategic thinker who has the gravitas needed to drive forward plant and operational capability. Maxine can be relied upon to ensure that a plant facility is not only operated in an economical, safe, and reliable way, but also meets any load demands and contractual obligations. She is an expert at identifying areas to remove cost and improve profit. Her key strengths lie in her ability to manage staffing levels to ensure holidays and absences are correctly administered. On a personal level she possess a practical 'can do' & 'hands on' attitude. Right now she would like to join a company that has a winning culture that is built on a platform of integrity and a spirit of innovation.
