PERSONAL SUMMARY

Maxine is able to support a business by ensuring that those involved in its operations do so in a safe, healthy and environmentally responsible and acceptable manner. She is of graduate calibre and has gained experience of operating across a wide range of sectors such as; defence, education, housing, industrial, power, transport and utilities. As a true professional she is always willing to challenge the status quo and improve on existing standards. Right now she would like to join a company that has an environment which supports and values diversity, integrity, trust and openness.

WORK EXPERIENCE

Company name – Birmingham

SAFETY MANAGER Jun 2013 – Present

Responsible for driving forward and implementing the company's QHSSE strategy in accordance with the highest ethical guidelines and corporate policies.

Duties:

- Developing beneficial relationships with external organisations and professional bodies.
- Ensuring that health and safety processes are established and in place.
- Managing team workload and prioritising it according to risk and importance.
- Assisting with the development of Health and Safety Management plans.
- Driving a culture of safety on site to support the delivery of performance metrics.
- Obtaining legal consents, licenses and exemptions.
- Monitoring and assessing the work of third party contractors.
- Collecting, recording, collating and then analysing data.
- Enforcing timely corrective action where improvements are required.
- Identifying risks and trends and then taking appropriate action to minimise, mitigate or eliminate them.
