PERSONAL SUMMARY

Maxine is committed to working smarter and faster to ensure that clients get what they ask for. She is a technically confident manager who is comfortable performing in a role that is 80% Technical and 20% Managerial. As a true professional she has no trouble rolling up her sleeves and getting involved in hard-core technical issues. On a personal level she has a natural passion for fresh ideas and thinking. In her current role she uses her technical expertise to help her employer to consistently develop safe, legal, ethical and successful products.
