PERSONAL SUMMARY

A confident, competent and imaginative interior designer with extensive experience of working on a mixture of projects ranging from £300k through to £5m. Having a excellent commercial approach to solving problems and a proven ability to generate fresh solutions for the renovation of internal spaces, including structural alterations. An ambitious, creative and dedicated design professional eager to gain experience in a creative environment.

Now looking for a new and challenging position, one which will make best use of my existing creative skills and experience and also further my personal and professional development.

WORK EXPERIENCE

Design Company – Coventry
INTERIOR DESIGNER June 2008 - Present

Working for a highly acclaimed interior design and decoration company. Involved in the interior design and documentation of mid to high level residential, commercial and private projects.

Duties:

- Meeting new & existing clients and determining their requirements.
- Delivering projects under strict deadlines and within the client's budget.
- Preparing drawing, sketches, proposals and quotations for clients.
- Providing drawing support to a senior interior designer.
- Co-ordinating and monitoring the work of both contractors and suppliers.
- Developing 2D/3D CAD product files into a product library for Design services.
- Producing working drawing packages, mood & sample boards & also 3d visuals.
- Organising and maintaining the practice library.
- Producing tender documentation, detailed drawing packages & written specification.

KEY SKILLS AND COMPETENCIES

- Familiar with UK building regulations and UK standards.
- Strong 3D modelling, visualization and animation skills.
- Good knowledge of construction detailing and material properties.
- Excellent knowledge of: Photoshop, AutoCAD 2010 & Sketch Up.
- Extensive experience in sourcing, specification, procurement as an FF + E designer.
- Capable of running with a project from initial concept to completion.
- Able to work on multiple projects simultaneously.
- Experience of leading projects and overseeing other members of staff.
- Ability to translate 2D drawings into 3D visuals.
- Knowledge of: digital, design & creative, studio, 3D & interiors, creative services.
