Dear,

Your company recently advertised on the website for a Substitute Teacher. Suitability compels me to apply for this role, as my ability to instruct and lead student learning in the absence of a regular teacher, precisely matches your requirements.

I possess the key ingredient required for success in your role, namely my ability to ensure that teaching is appropriate to the ability, maturity and interests of students. I am an expert at aiding students in understanding subject matter. My other core strengths include, but are not limited to the following:

- Organizing students for effective instruction.
- Setting an example to students in all areas.
- Have presence and can command authority.

For additional information about my capabilities please view my attached CV.

Right now, I want to work for a reputable and exciting academic institution like yours where hard work, dedication and hitting targets is rewarded. I would therefore very much welcome the chance of an interview, where we would be able to discuss in greater detail the value and strength I can bring to your already successful School.

I thank you very much for your time and I eagerly look forward to hearing from you.

Yours sincerely,

Charles Branston
